Appendix A – County Registration Templates

Introduction

CACs can use the following “reproduction template” in conjunction with the appropriate DPR form to register Advisors, Businesses and Pilots. CACs can also develop their own form provided it captures all the required information. The *Application for Pest Control Equipment Registration* (DPR-ENF-058) follows the template.

After that are the registration forms for Structural Branch 1 and Branch 2/3 businesses. These forms may be used or reformatted to meet your county needs.
